

## **Magnuson names RSI exclusive PMS provider for 2000 hotels.**

**(North Vancouver, BC) – May1, 2013, 11am PST** – RSI International Systems Inc. (“RSI”) is pleased to announce that Magnuson Hotels, the world’s largest independent hotel group with 2000 hotels, today named RSI International as its exclusive provider of (PMS) hotel property management systems.

Beginning immediately, Magnuson Hotels will begin installation of RoomKey, one of the world's first fully web-based hotel property management system.

Magnuson reports that hoteliers will benefit from one consolidated operating system that unites front desk, reservation system and brand into one low cost and easy to use mobile and Internet InSight B1 dashboard.

“Upon completion of a global search, it was amazingly clear there was no other choice for a PMS partner with the innovation and technological supremacy than the RoomKey team headed by Charles Ku,” stated Thomas Magnuson, CEO Magnuson Worldwide. “Hoteliers can count on many powerful and low cost advancements in the near future from our partnership.”

Charles Ku, President and CEO of RSI, commented "We are very proud & excited to have been selected as the exclusive provider of the hotel property management system (PMS) to Magnuson Hotels Worldwide & to be able to have the opportunity to work with Tom Magnuson & his team who have continually demonstrated they are one of the most innovative Brand & Service leaders in the hospitality market."
